Ingredients

4 SERVINGS

8oz Grapefruit juice
(fresh if possible bottled
is a bit too pink and weird
looking)

agave 8oz Tequila Blanco

Jalapeno-poblano hot
sauce to taste (optional)

SIPPING A FROZEN PALOMA WITH DAN

Directions

1. Combine the tequila, grapefruit juice, lime and simple syrup together and shake in a jar or shaker. Place in the freezer for a minimum of 3 hours.
2. The tequila will stop it from freezing hard and you should be left with a kind of (potent) slush.
3. Add slushy mixture with two cups of ice and blend in a blender.
4. Pour into frosted salt-rimmed glasses, garnish with leftover lime and grapefruit slices and if you're feeling adventurous add a dash of the hot sauce.

* Wait patiently until 5:30pm, then recline and enjoy.
